1 Unpack and prepare your components

Unpack your picnic table. Place pieces on a soft surface to protect the finish.

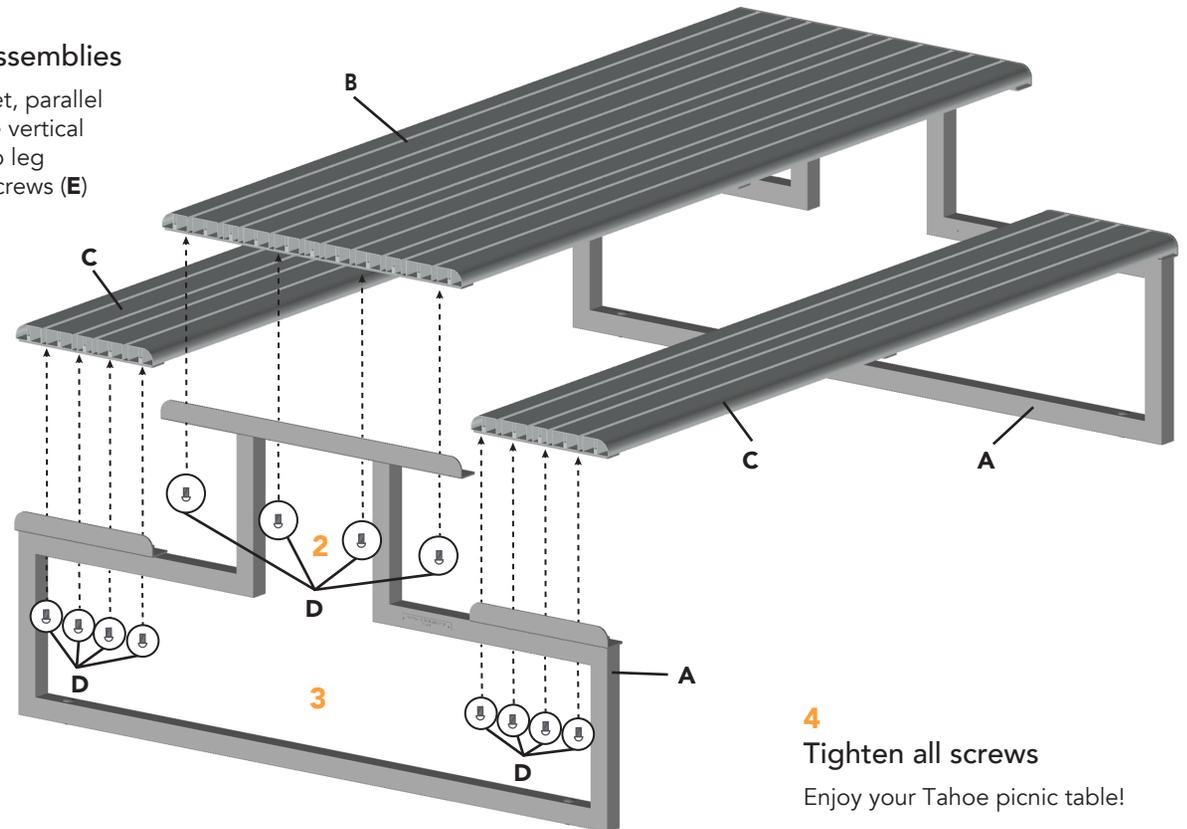

Two-person assembly is recommended.

2 Attach table top to leg assemblies

Stand leg assemblies (A) on feet, parallel to each other, supported in the vertical position. Attach table top (B) to leg assemblies using four M8x10 screws (E) per side.

3 Attach benches to leg assemblies

Attach benches (C) to leg assemblies using four M8x10 screws (D) per side.

4 Tighten all screws

Enjoy your Tahoe picnic table!
