

Tahoe bench-to-table assembly

-DLF15, -DL20, -DL15 connecting brackets, Tahoe benches, Tahoe tables.

Parts List

- A** Connecting brackets
1 pair per side

- B** TBEI
M8x10 screw
12 pieces

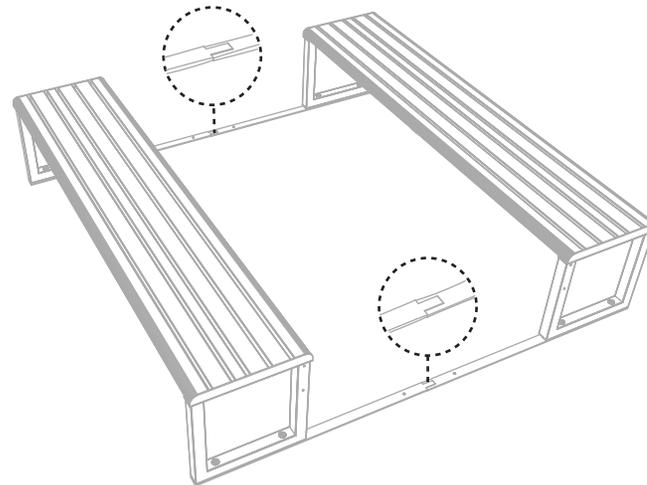

1 Attach Tahoe benches to connecting brackets

Place connecting brackets (**A**) on ground. Place Tahoe bench on connecting bracket, aligning holes. Secure Tahoe bench to bracket with two M8x10 screws (**B**) per side.

If connecting two benches to table, repeat for second bench, insuring connecting bracket tongue and groove align.

2 Interlock connecting brackets

If attaching two benches, interlock connecting bracket tongue and groove.

3 Attach table to connecting brackets

Place Tahoe table on connecting brackets, aligning screw holes. Secure using two (for one bench) or four (for two benches) M8x10 screws (**B**).
