Details

The Rise mesh from Via Seating is a high-performance 4-way stretch elastomeric mesh, crafted from 100 % polyester and available in both neutral and vibrant colors that complement the Rise chair's accent bars. It's bleach-cleanable and free of antimicrobial and flame-retardant additives, offering easy maintenance and flexible comfort for extended use

Makeup

100% Polyester

Cleaning & Care

WS + BC: To prevent overall soil, frequently vacuum and lightly brush the best to remove dust and grime buildup. Mix mild soap and warm water together and using a lint-free cloth, damp it a little bit into the mixture. Dab gently where the stain is located. Use a different, dry, lint-free cloth to dry the area. Repeat if needed. For deeper cleaning use steam, bleach, alcohol or professionally dry clean. Can be washed under 30°C. Infrequent use of a 1:10 bleach to water solution can be used for disinfection of the mesh.

Qualities

Bleach cleanable
No antimicrobial additives
No flame retardant additives
