Details

The Onda frame—available in matte black or matte light grey dipped finishes—provides a sleek, cohesive foundation for the award-winning Onda chairs, stools & sit-to-stand stools. Made from durable nylon, these frames are bleach-cleanable and designed to pair seamlessly with matching 5-star swivel bases and 6D adjustable arms for a polished, modern aesthetic.

Makeup

100% Nylon

Cleaning & Care

W + BC: Gently wipe off any spill or debris. After, dip a lint-free cloth into a mild soap and water mixture. Scrub gently over the stained area. For tougher stains, you may use distilled vinegar and a lint-free cloth. Repeat if needed. Bleach cleanable with a 10:1 (water to bleach) solution.

Qualities

Bleach cleanable
100% PCV-Free
No antimicrobial additives
No flame retardant additives
