Chair . Lounge chair . Rocking chair . Stool . Transport cart

DESIGN R&D Diemmebi

DESCRIZIONE / DESCRIPTION

Design in pieno stile "form follows function". Dotata di una seduta "a pois", ricavata sottraendo cerchi di alluminio alla sua superficie, Busy non solo ha un'estetica gradevole, ma si presenta leggera e maneggevole. La scocca così concepita impedisce il ristagno d'acqua nel caso di utilizzo in spazi esterni, riducendo notevolmente il rischio di deterioramento. Innovativa è la seduta in monoscocca di alluminio stampato, il cui assemblaggio avviene attraverso un'apposita tecnologia che permette di avvolgere la lamiera al tondino.

Design in full "form follows function" style. Equipped with a "polka dot" seat, obtained by subtracting aluminium circles from its surface, Busy not only has a pleasant look, but it is light and easy to handle. The body is designed to prevent the stagnation of water in case of outdoor use, greatly reducing the risk of deterioration. The monocoque seat in moulded aluminium is innovative, assembled through a special technology that allows the sheet to be wrapped around the rod.

DESCRIZIONI TECNICHE / TECHNICAL DESCRIPTIONS**Struttura / Structure**

Tondino in acciaio zincato e verniciato con polveri poliestere opachi raggrinzanti. Seduta in alluminio verniciata con polveri poliestere opachi raggrinzanti.
