Cabana / Cabana

DESIGN Basaglia + Rota Nodari

DESCRIZIONE / DESCRIPTION

CABANA è un sistema composto da tavolo e panche in acciaio verniciato, ombreggiate da un parasole in tessuto che può essere regolato in altezza. Questo arredo per esterni crea immediatamente un'atmosfera unica: di festa, se lo immaginiamo in un giardino durante una grigliata estiva tra amici; di vacanza, in un parco cittadino o riflesso in uno specchio d'acqua; di relax e concentrazione, nella corte di un complesso per uffici, per chi ama lavorare all'aria aperta.

CABANA consists of a system composed of table and benches in painted steel, shaded by a fabric sunshade. The sunshade can be adjusted to shield from or allow sunlight depending on the seasons. CABANA is an element that immediately creates atmosphere: festive if we imagine it in a garden during a summer barbecue with friends; holidaylike in a city park or reflected in a body of water; relaxing and focused in the courtyard of an office complex for those who love working outdoors..

Rastrelliere per biciclette / Bicycle racks

DESIGN Basaglia + Rota Nodari

DESCRIZIONE / DESCRIPTION

Rastrelliere pratiche, modulari, resistenti e di design. Le rastrelliere sono elementi modulari, agganciabili tramite piastre anche agli altri elementi della collezione. Si formano così pratiche composizioni di seduta e aggancio. Quattro tipologie di rastrelliera, dalla classica a terra con o senza piastre distanziatrici, ad una versione a paletto, che prevede il posizionamento della bici tra i pali, a quella più innovativa in appoggio, che si presenta con una struttura quadrata adatta anche alla funzione di dissuasore, dove le bici si appoggiano ai lati e si agganciano sfruttando tutta l'ampia struttura.
